

# KRÜMMEL BLEIBT AUS

## KEEP KRÜMMEL OFFLINE!

**The nuclear power plant Krümmel (near Hamburg in northern Germany) needs to remain offline!**

Facing the permanent threat of a disastrous nuclear accident in the nuclear power plant in Krümmel as well as the problems and risks while running any nuclear plant we call for a big blockade of the nuclear power plant Krümmel.

**Date:** Friday directly before or after the restart of the reactor
